~ Mother Dearest ~

Last Sunday was Mother's Day, and, although we're celebrating the holiday a little late in the game, we still make it a point to pay tribute to dear mom. Many of us love and appreciate our moms very much, and so we hope that you did something special for her last week and every week! To those of you who may have lost a mother or are not on good terms with her, we hope that you had a nice Sunday regardless.

This week's issue will be a rather short one, due to the moderator having battled medical symptoms, but there is still news to report, and we hope that you enjoy today's little paper. •

Comings and Goings

Some ask blogs leave, whilst others return. Another panty raid is on the rise, and a feature on a special Once-ler is given. Check it all out right here in today's issue!

Four Times the Charm

Every few months, the fandom holds a panty raid, and I'm pleased to report that our fourth raid will be held this week! The date is May 18th (this Saturday), and the time is 5:00 PM EST. For more information, please be sure to visit the official blog and run-down post:

Sad Departure

It is with great sadness that we report on the departure of **Ask-thelivingonce-ler**. His moderator has had to go on an extended hiatus for personal reasons, but we certainly hope that they will one day return.

Welcome Home

Almost as soon as Gloomy Once-ler left, he returned! However, he seems to have suffered from a traumatic medical accident, although we're not sure what it is yet. No doubt he'd enjoy a little pick-me-up from visitors.

Feature – Corruptions-of-Greed

What if the biggering and biggering of the Once-ler's business had an effect on his appearance as well as on the environment? This ask blog explores such a head-canon, in which the Once-ler is literally a giant of a man – over 70 feet tall, a height to match his ego! He's quite friendly, though, as most Once-lers go. Why not stop by and pay him a visit? Just don't get on his bad side, lest he throw you out of the factory!

~ Letters to Mom ~

Got anything to say to mom? These folks do! We asked you to send in your heartfelt letters about your mothers, and several of you replied!

My mom and I are close. She's always there to make me happy. Whenever I talk down on myself, she tells me that I'm special and that I was made for a reason. We have our fights a lot, but we always forgive each other. I love her so much.

- Tigerlizzie

I'm really happy to have the mother I have. She always works hard so my grandmother and I have a good life and is always willing to help the rest of the family. She also taught me how to read and write, which means a lot to me. And she doesn't mind if I draw boys with dresses.

- Msdusk

I love my mum because she supports everything I do and puts up with my rubbish. Plus, she bought me 'The Lorax' in the first place. She is truly a lovely individual.

- Thetuftyspirit

Thank you all very much for sending in your lovely letters! •
